- The meeting room is # 204 on the 2nd floor at the building where the bus stops.
- Our cafeteria is closed at 13:00 on Monday and at 13:30 on Tuesday and Wednesday. We would like to ask the JT-60SA tour participants to go to the cafeteria soon after the tour. We are afraid of the shortage of dishes. (The tour needs to be held during a lunch time of the construction workers since the construction schedule is very tight. And the number of tour participants are limited to 20 persons due to a safety reason. Thank you for your understanding in advance.)
- Some colleagues have changed their visit schedule. Please let us know your updated schedule if you will not come to Naka site for the full dates of the meeting. We need to update the passenger list of the bus transfer.
